MULTICULTURAL RESOURCE CENTER LENDING AGREEMENT

Borrowing materials from the Multicultural Resource Center is a privilege. Many of the materials are unique and not readily replaceable. As a condition of borrowing materials, you agree that you are responsible for the materials. If any of the materials you borrow are lost or stolen, you agree that you are liable for the reasonable cost for its replacement. If any materials you borrow are damaged beyond normal wear and tear, you agree that you are liable for the reasonable cost of its repair or replacement. You may lose borrowing privileges if you fail to pay for the assessed cost of repair or replacement of materials or if materials are lost and stolen. Saint Paul Public Schools may take other action against you, as allowed by law, to recover the cost of repair or replacement.

Acknowledgement: I understand that I am responsible for the materials I borrow and agree to the above terms.
